## A note from the Headteacher

We have arranged Parents' Evening sessions the week after next to give you an opportunity to meet your child's class teacher to discuss your child's progress so far this year. The appointment slots are five minutes long, but there will be time available before or after the appointment to look at your child's books. If you feel that there are issues that necessitate a longer meeting time, contact your child's teacher to arrange this.

We do not provide child care for these sessions and request that, wherever possible, your child does not attend the appointment. If you are unable to arrange suitable care for your child, please indicate this on the return slip of the letter sent home this week.

The sessions will take place on Wednesday 16 November and Thursday 17 November. Select your preferred half-hour time slot on your letter and return it via your child's class teacher.

**Lara Beaumont, Headteacher**

On our Eco Council agenda next week is **The Big Battery Hunt**. Look out for your loan box (right) to collect batteries and return to school for recycling.
