DATES FOR YOUR DIARY

A note from the Headteacher

It has proved to be a creative Spring Term at Crompton Primary School. Our choir represented the school at Young Voices; Year 6 made an award-winning performance at Oldham Rotary Club Choral Speaking Event; and our extra-curricular dance club took part in a dance competition at Oldham Sports Centre yesterday. Year 2 have been designing anti-litter posters for Waste Week and every child has designed an Easter Egg for our competition next week, which will be judged by governors, not forgetting the whole school poetry event with Andy Tooze which inspired our children to write their own poetry. Next Tuesday, we are holding a morning of Music and Poetry - Year 4 will be performing some of the music they have been learning during their Wider Opportunities music lessons; Year 6 will be performing the poems from the Choral Speaking event; and the choir will perform the songs they have been learning together. The concert will commence at 9.15am and parents of the children involved have been invited. If your child is interested in small group music tuition, please contact the office for further information about our offer from Oldham Music Service.

Lara Beaumont, Headteacher

FOREVER ANGELS

Year 2 have been working with former Crompton Primary teacher Mrs Madden, an advocate for the Forever Angels charity in Tanzania which supports orphaned and abandoned babies and children. After learning about the charity and the positive impact it makes to children's lives, pupils decided to fundraise, in line with our Five Ways of Wellbeing (Give), by making bracelets and cakes. Mrs Madden will join the children who will sell their wares on a stall under the canopy next Thursday after school for £1 each. Support them if you can. For more information visit <https://www.foreverangels.org/>

Crompton Primary School PTA invite you to their
