

Privacy notice for visitors to the school

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about visitors to the school, in line with the General Data Protection Regulation (GDPR) and the Data Protection Act 2018.

We Crompton Primary School, are the 'data controller' for the purposes of data protection law. This means that we are responsible for deciding how we hold and use personal information about you.

Our data protection officer is Mr Justin Hardy (see 'Contact us' below).

The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Photographs for identification purposes for the duration of your visit
- Information about any access arrangements you may need

Why we use this data

We use this data to:

- Identify you and keep you safe while on the school site
- Keep pupils and staff safe
- Maintain accurate records of visits to the school
- Provide appropriate access arrangements

Our lawful basis for using this data

We only collect and use your personal data when the law allows us to. Most commonly, we process it where we need to comply with our legal obligation to keep our pupils and staff safe while on the school premises.

Less commonly, we may also process your personal data in situations where:

- We need it to perform an official task in the public interest
- We have obtained consent to use it in a certain way
- We need to protect someone's vital interests (save your life, or someone else's)

Where we have obtained consent, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how to withdraw it.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify our use of your data.

Collecting this information

Some of the information we collect from you is mandatory, and in some cases you can choose whether or not to provide the information to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

We will only collect the data that we need in order to fulfil our purposes, which are set out above.

How we store this data

We will keep your personal data while you are visiting our school.

We may also keep it beyond this, if necessary, to comply with our legal obligations.

Our data flow document sets out how long we keep information about visitors.

We have put in place appropriate security measures to prevent your personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed.

We will dispose of your personal data securely when we no longer need it.

The legislative framework supporting data sharing relating to the management of the COVID19 pandemic is the notice under regulation 3(4) of the Health Service Control of Patient Information Regulations 2002 and it is in the interests of public health that we share information where necessary for the purpose of COVID19 management. Such information will be limited to what is legal, proportionate and necessary, taking into account of the latest guidance issued by the Government and health professionals
